Every one wanted something to hold on to, but there was nothing firm; everything was shaking, recling, pitching. The very trees the articles, that he was inclined to vote for some of them, and that he signified his inclination to some of his friends, but that he honestly changed his mind, and he claims the privilege of changing his mind upon reflection, like other men.

The explanation is entirely consistent with honesty. It is also such a one as a dishonest man, skilful at covering up his tracks, might make.

Every one wanted something to hold on to, but there was nothing firm; everything was shaking, recling, pitching. The very trees were tossing to and fro, as if they would be supported it stone fences, houses, etc., were falling all around us. We waited with intense anxiety—praying, hoping, trusting in the Lord. We longed to see a great crater open or a great riviewall be supported by the flowing for them we thought the earth would be at rest. In all this time we never undressed for the night, passing the nights in a tent, spread in our yard a little distance from the house. This was partly to avoid the danger of the timbers and plastering of the house falling and crushing as and partly to avoid the Lake Champain.—Commencing

BURLINGTON, VT., FRIDAY MORNING, JUNE 5, 1868.

The conviction of John Devlin, the leading operator of a "whiskey ring" engaged in stupendous frands on the revenue, in Brooklyn N. Y. which took place a month or two ago in the U.S. District Court of that District, has been followed by the conviction of Mr. Callicot, the Collector of Internal revenue. in the same city, on a charge of conspiracy to defraud the Government. The event is one of national importance, and of special

House by Mr. Batler on the 26th ult. He

tery has been doubled in eighteen months. Mr. Colfax is a temperance man. He has never deviated from the consistent course of his profession on this subject, nor did his friends who represented him at Chicago.

That most reliable of correspondents, 'Agate, bears witness to this, as follows. Mr. Be-bears witness to this, as follows. Mr. Bebears witness to this, as follows. Mr. Befrees was Colfax's manager :

"Defrees has managed the contest very quietly and adroitly. It is noticeable, too, that it was done on strict temperature princi-ples. For a marvel in such affairs, it was government.

The foregoing was among the resolutions kind was to be had around the headquarters adopted by the late Democratic Convention in Some of the friends of the other candidates

had whiskey in abandance. BANK FAILURE.-The Bank of Canton, N. whave on the Republican Scantors who voted Y. has suspended payment in consequence of scribe for \$750,000 worth of stock in the for acquattal, must be particularly gratifying the failure of Mr. H. J. Messenger, its prin- projected railroad to Oglensburg. This scvillage says the assets show that the bank can construction of the road. Tor area Were and the Bamery Case in pay its creditors over fifty per cent., and if, Cosmuss. - Thurlow Weed publishes a card as it is stated, Mr. Messenger is able to consin the New York Commercial Advertiser re- promise at seventy-five cents on the dollar, lative to his testimony before the Impencisthe creditors of the Bank of Canton will lose

ment Managers, and its presentation to the little or nothing. SENATOR MORRIES .- Our worthy Senator In explanation of the propositions made to myself, U have this to say: Semator Pomeroy either intended to dispose of three votes—in the Investment of the Proposition in the California of the proposition made to myself the proposition of the pro cliding his own- or he was willing that his the Impenchment of the president, in the folfriends should use his name to make money, lowing words

" I am glad to remember that at the com-Prosident, thus obtaining new material for imperchasent. My reasons for this belief are that some months since Mr. Legett, an intiinate friend of Senator Pomeroy, was after the appointment of Postmaster at Leaven-worth Kansas. He was supported by Mr. Pomeroy, who wrote a letter—which was shown the Postmaster General—promising his (Pomeroy's) vote for the Presidential confirmation and his influence against impeachment. ment.

The Postmuster General was furnished with a copy of Senator Pomeroy's letter, copied from the original in his passession, and Legett received a postal agency some few that it might become proper for him to their own postal agency some few that it might become proper for him to the results of the pardoning power; his unmasked threat in his last annual message that it might become proper for him to the proper for him to the pardoning power. weeks ago. Legett appeared before Col.
Coper with a letter from Senator Pomeroy lead to force" in opposing an unconstitution-Cooper with a letter from Senator Pomeroy saving he would carry out in good faith any arrangement made with Mr. Gaylor, who is Pomeroy's brother-in-law. Whoreupon Lagett and Gaylor undertook, for money, to obtain the votes of Senators Pomeroy. Nye and Tipton.

I did not believe that Senators Nye and Tipton had authorized this arrangement, nor did I believe that either of them would vote consist the conviction of the President: but of the constitutional an endment proposed by has been compelled, by the Government Insand Plattsburgh, at 5 30, connecting with train to Montreal and Ogdensburgh.

By this arrangement we are afficient two faily lines each way.
